Direct Response

FCPP will quickly and efficiently handle your claim. Repair costs are paid directly to the repair facility on authorized services, saving you from out-of-pocket expenses and the inconvenience of waiting for reimbursement.

Transferable Coverage

In the event you choose to sell your watercraft, you can apply to transfer the coverage to the next owner for the remainder of the Policy/Contract term.

Deductible

Plans have a \$100 deductible per repair visit, plus applicable taxes, on all covered repairs. In the event the same component fails again, no deductible will be charged for it's repair or replacement. If repairs are performed at the selling dealership then deductible reduces to \$50.
